ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

37

March 31, 2009

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**ADOPT, ADVERTISE, AND AWARD
RETAINING WALL CONSTRUCTION AND ROADWAY RECONSTRUCTION
NEWELL ROAD AT CORRAL CANYON ROAD AND FAIRSIDE ROAD
UNINCORPORATED COMMUNITY OF MALIBU BOWL
(SUPERVISORIAL DISTRICT 3)
(3 VOTES)**

SUBJECT

This action is to approve the project for construction of a retaining wall and reconstruction of roadway pavement on Newell Road, in the unincorporated community of Malibu Bowl; adopt the plans and specifications; call for bids; and authorize the Director of Public Works or her designee to award, execute, and implement a contract with the lowest responsive and responsible bidder.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this project is statutorily exempt from the provisions of the California Environmental Quality Act.
2. Approve the project and adopt the plans and specifications for Newell Road at Corral Canyon Road and Fairside Road, retaining wall construction and roadway reconstruction, in the unincorporated community of Malibu Bowl, at an estimated cost between \$4,750,000 and \$5,750,000.
3. Call for bids to be received on April 28, 2009.

4. Instruct the Executive Officer of your Board to advertise the project and seal and return the plans and specifications to the Department of Public Works for filing.
5. Authorize the Director of Public Works or her designee to award and execute a contract with the lowest responsive and responsible bidder within the estimated cost range, approve the Faithful Performance and Labor and Material Bonds submitted by the contractor, and deliver the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to obtain Board approval to adopt and advertise and authorize the Director of Public Works or her designee to award, execute, and implement a construction contract with the lowest responsive and responsible bidder for bids for the construction of a retaining wall, reconstruction of existing roadway pavement damaged during the 2005 storms, and the performance of other appurtenant work.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Services (Goal 1) and Community and Municipal Services (Goal 3). The recommended action will help achieve these goals by providing a safe and improved roadway for community residents and visitors.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated construction cost to complete this project is in the range of \$4,750,000 to \$5,750,000. Funding for this project is included in the Third Supervisorial District's Road Construction Program in the Fiscal Year 2008-09 Road Fund Budget.

This project is necessary as a result of damage caused by the rainstorms of January and February 2005. The Department of Public Works (Public Works) is seeking reimbursement for a portion of the project cost under Federal and State disaster assistance programs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for the construction of a retaining wall and reconstruction of existing roadway pavement, is part of Public Works' ongoing program for the construction of roads and highways. It will be advertised in accordance with Section 20392 of the Public Contract Code.

This project is to be completed in 140 working days. It is estimated the work will start in July 2009 and be completed in January 2010.

Delegating to the Director of Public Works or her designee the authority to award and execute this construction contract allows an expedited contracting process to obtain a contractor for the construction of a retaining wall and reconstruction of existing roadway pavement.

The contract agreement will be in the form previously reviewed and approved by County Counsel.

The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; and the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to the lowest responsive and responsible bidder, which is defined as the firm that; (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation, including, but not limited to licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to the lowest responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

This project is in a disaster-stricken area in which the Governor declared a state of emergency and is statutorily exempt from the provisions of the California Environmental Quality Act pursuant to Section 21080(b) (3) of the Public Resources Code and Section 307.B (5) of the Environmental Reporting Procedures and Guidelines adopted by your Board on November 17, 1987. These exemptions provide for the repair of public works facilities damaged or destroyed as a result of a disaster in such an area.

CONTRACTING PROCESS

This project will be contracted on an open competitive bid basis. The contract will be awarded to the lowest responsible bidder meeting the criteria established by your Board and the California Public Contract Code. The County Local Small Business Enterprise preference will not be applied to the determination of the lowest responsive and responsible bidder. To be eligible for the Federal funds financing the majority of this project, Title 49, Code of Federal Regulations, requires award to the lowest bidder.

To increase contractor awareness of our program to contract work out to the private sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

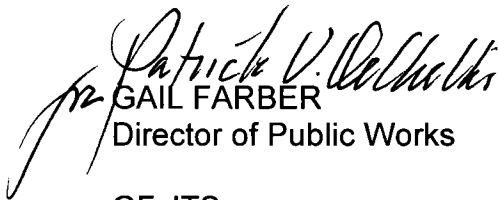

When the project is completed, it will have a positive impact by providing a safe and improved roadway for community residents and visitors.

NEWELL ROAD AT CORRAL CANYON ROAD AND FAIRSIDE ROAD
INSTRUCTION SHEET FOR PUBLISHING LEGAL ADVERTISEMENT

From: Department of Public Works
Construction Division

PUBLISHING

In accordance with Section 20392 of the Public Contract Code:

Publish: At least ten consecutive times, prior to the date set for opening bids, in a daily newspaper of general circulation printed and published in the County and designated by the Board, or for at least two consecutive times prior to such date in a weekly newspaper printed and published in the County and designated by the Board.

Time Limitation: To open bids in four weeks.

(First advertisement to be published no later than April 4, 2009)

NOTICE INVITING BIDS

Sealed bids will be received by the County of Los Angeles Department of Public Works, Construction Division, for the construction of two retaining walls including steel soldier piles, tie backs, timber lagging, and reinforced concrete fascia; cable and metal beam guardrail and asphalt concrete pavement on base material; and the performance of other appurtenant work under Project ID No. RDC0015151, Newell Road at Corral Canyon Road and Fairside Road, in the unincorporated community of Malibu Bowl.

The bids must be submitted at the Cashier's Office, located on the Mezzanine level, 900 South Fremont Avenue, Alhambra, California 91803-1331, before 11 a.m. on Tuesday, April 28, 2009. The bids will then be publicly opened and read in Conference Room A or at the location posted in the main lobby.

The work shall be done in accordance with the Plans and Specifications on file and open for inspection at the County Board of Supervisors Executive Office and the Department of Public Works. The work is estimated to cost between \$4,750,000 and \$5,750,000 and shall be completed in 140 working days. The work requires a California Class A contractor's license. Prebid questions regarding the Plans and Specifications should be directed to Mr. Harry Cong at (626) 458-3111.

The bids must be submitted on the proposal forms included in the bidder's package of the contract documents, which may be purchased for \$15, if picked up at the aforementioned Cashier's Office, (626) 458-6959, Monday through Thursday between 7 a.m. and 5:30 p.m., or for \$19, if mailed, which includes postage and handling.

Each bid must be accompanied by a certified check, cashier's check, or surety bond payable to County of Los Angeles in an amount equal to at least 10 percent of the bid to guarantee that the bidder will enter into the contract if it is awarded to him.

All persons performing the work shall be paid not less than the General Prevailing Wage Determination made by the Director of Industrial Relations pursuant to the California Labor Code. Copies of these wage rates are available at the Department of Public Works. Furthermore, minimum Davis-Bacon Act Wage Decisions for this Project as predetermined by the Secretary of Labor (Federal) are set forth in the Special Provisions.

If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the applicable prevailing wage rates per the Director of Industrial Relations for similar classifications of labor, the contractor and its subcontractors shall pay not less than the higher wage rate.

The rate of compensation for any classification not listed in the schedule, but which may be required to execute the contract, shall be commensurate and in accordance with the rates specified for similar or comparable classifications or for those performing similar or comparable duties.

The County hereby notifies all bidders that it will affirmatively ensure that minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award of any contract entered into pursuant to this advertisement.

**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL
EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246)**

The goals for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Goals for Minority Participation in Each Trade	Goals for Female Participation in Each Trade
28.3%	6.9%

These goals are applicable to all the contractor's construction work (whether or not it is Federal or Federally assisted) performed in the covered area.

The contractor's compliance with the Executive Order and the regulations in 41 CFR, Part 60-4, shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR, Part 60-4.3(a), and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good faith effort to employ minorities and females evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR, Part 60-4. Compliance with the goals will be measured against the total work hours performed.

The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

As used in this Notice, and in the contract resulting from this solicitation, the "covered area" is the County of Los Angeles.

The bid must provide full disclosure of False Claims Act violations, labor law/payroll violations, debarments, and civil/criminal legal actions as provided for on the forms included as part of the proposal. Failure to complete these forms may result in a determination that the bidder is nonresponsive and/or not responsible.

The contract, if awarded, will be awarded to the lowest responsive and responsible bidder; however, the Board of Supervisors reserves the right to reject any and all bids. Due to the requirements of the use of Federal and State funds on this project, no Local Small Business Enterprise preference will be applied to this project as defined in County Code 2.204.

A responsible bidder is a bidder who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

The successful bidder will be required to fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees and comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance throughout the duration of the contract. Failure to comply may be cause for termination of the contract or initiation of debarment proceedings.

The successful bidder will be required to submit a faithful performance bond, payment bond, worker's compensation insurance, and liability insurance with the contract.

As provided for in Section 22300 of the California Public Contract Code, the contractor may substitute securities for any monies withheld by the Department of Public Works to ensure performance under the contract, or enter into an escrow agreement for payment of such monies to an escrow agent.

Each person by submitting a response to this Notice Inviting Bids certifies that such bidder and each County lobbyist and County lobbying firm, as defined by Los Angeles County Code Section 2.160.010, retained by the bidder, is in full compliance with Chapter 2.160 of the Los Angeles County Code.

Para mas informacion con relacion a esta noticia, por favor llame a esta numero (626) 458-3118. Nuestras horas de oficina son de 7 a.m. a 5:30 p.m. de Lunes a Jueves.

The County supports and encourages equal opportunity contracting.

By order of the Board of Supervisors of the County of Los Angeles, State of California.

Dated March 31, 2009.
